

**REMARKS:**

Applicant wishes to thank the Examiner for allowance of claims 1-22 and 31-33 and conditional allowance of claims 23-30 if rewritten to overcome the rejection under 35 USC 112..

**Examiner contends that the specification is objected to as failing to provide proper antecedent for the claimed subject matter: the specification does not disclose a size indicator being indicia representing one of a plurality of caricatures representing one of a plurality of sizes, the specification instead supporting the indicator being a caricature, which represents a size.**

Accordingly, Applicant has amended claim 23 to more clearly indicate that the indicator of size is the caricature, which Applicant believes is fully supported by the disclosure. Applicant believes that claim 23 is now in condition for allowance. Further, claims 24-30 which depend from claim 23 are also in condition for allowance.

Reconsideration of the claims now on file is respectfully requested.

Date:

*March 11/04*

Respectfully submitted,

*Sean W. Goodwin*
